Re: Supervisory Unit - Vacation Payouts

Dear Mr. Lalla:

Pursuant to your inter-office memorandum dated November 18, 2014, the Supervisory Unit employees who are eligible to receive vacation payout of unused vacation hours for the period October 1, 2012 through September 30, 2013, will be paid for those hours at the employee's rate of pay as of September 30, 2013.

After reviewing the payout figures your Department sent the Supervisory Unit employees, it is clear the City failed to calculate the 2% negotiated increase the employees received retroactively effective June 1, 2013.

Please ensure the figures are recalculated with the 2% included and ensure that payments for the differences are issued to the affected employees if the matter cannot be corrected before issuance of the December 12, 2014 paycheck.

Sincerely,

Christopher Cassidy
President
