Re: Wage Increase (1.1%) – General Fund Employees

CAMS
Dear Mr. Cassidy:

I am in receipt of your letter dated January 15, 2015, wherein you ask whether the City would be amenable to giving all general employees who were paid out of the General Fund when the City declared financial urgency a “one-time 1.1% wage increase as a means to bring those employees to the pay rate they were receiving” prior to the pay cuts that occurred during financial urgency.

Please be advised that I will be carefully analyzing this request prior to making my recommendation on this issue. Once I have completed my analysis, I will make my recommendation and will inform you of such.

Sincerely,
